Twister is a long looped scarf with a ribbed edge on one side and a slightly ruffled edge on the other side. **The scarf is designed to flip and twist and the edges will roll.** It is meant to be this way! Twister can be worn in a variety of ways, wrapped three times up close to your neck, wrapped twice for a long looped look or with one end threaded through the other.

Cast on 250 stitches. Place a stitch marker on the first stitch. Join to work in the round being careful not to twist the stitches.

Tips: While casting on place a stitch marker every 50 stitches to keep track. When joining the round, lay the cast on stitches on the circular needle on a table to make sure there aren't any twists before joining.

Rnds 1-4: (k3, p2) repeat to the end of the round
Continue to knit every round until the scarf measures 5 inches from the cast on edge.

Ruffle:

Rnd 1: (k1, kfb) repeat to the end of the round (375 stitches)

Rnds 2-6: knit

Rnd 7: purl

Bind off. Cut the yarn and pull through the remaining stitch. Weave in all ends and trim.
