

Pattern:

Using a provisional cast on (see instructional video on Spud Says), cast on 24 stitches.

Work in double garter stitch until your yarn nearly runs out, leaving a 1.5-inch end.

Double garter stitch:

Row 1: knit 1 stitch, then knit each stitch wrapping the yarn twice for every stitch

Row 2: k1 leaving the second loop on the needle, *knit the loop along with the first loop of the next stitch and wrapping twice, repeat from * across the row.

Repeat row 2.

When the yarn runs out or you have reached the desired length, kitchener stitch the ends together.

Weave in the ends and block as desired.

Finished measurements after blocking:

10-inches wide and about 50-inches in circumference (measurements will vary depending on how much or little the cowl is blocked and stretched because this is a very stretchy stitch pattern)

Needles:
